

# Threshold Root Max Plus Iron

## Information

Threshold Root Max Plus Iron is formulated for foliar and chemigation applications on high or low pH soils to prevent and correct iron deficiencies. Threshold Root Max Plus Iron also promotes root growth and aids in the prevention of plant stress from dry or wet weather. Used as directed and maintaining a proper soil program for your soil type results in increased vigor, superior plant quality, and improved color.

## Directions For Use

Threshold Root Max Plus Iron is recommended for soil, foliar and chemigation applications. It can be tank mixed with liquid fertilizers, pesticides and fungicides. If there are questions of compatibility, use a "jar compatibility" test. Shake before using.

## Recommendations

Greens & Tees: Apply 4 oz. per 1,000 sq. ft. every 3-4 weeks. For Initial application, apply 6 oz. per 1,000 sq. ft.

Fairways & Athletic Fields: Apply 4 qts. per acre as needed.

Establishing Greens & Other Turf: Apply 4 oz. per 1,000 sq. ft. when sprigging or seeding. Continue 4 oz applications every 2 weeks until grass has grown in.

Container Grown Trees & Ornamentals: To enhance growth of container grown trees and ornamentals, dilute 2 oz. per 1 gallon of water and apply as a soil drench in the spring and fall.

Transplants, Ornamentals and Trees: To minimize transplant shock and enhance growing medium of ornamentals and trees, dilute 2 oz. per 1 gallon of water and apply as a soil drench initially and then twice annually (spring and fall).

## Guaranteed Analysis

Iron (Fe) . . . . . 4.00%  
4.00% Chelated Iron (Fe)

Derived from: ferric ammonium EDTA chelated solution and Iron humate.

Also contains non plant food ingredients: humic acid, cold processed kelp, vitamins b1 and b12, and wetting agents.

Store above 32°F

## Caution

### Keep Out Of Reach Of Children

#### Antidotes:

Skin or eye contact: Flush thoroughly with water and see a physician. Internal: Induce vomiting if conscious and get medical attention at once.

**Cautions:** Avoid getting in eyes, mucous membranes or on skin. Use with adequate ventilation. Keep container capped when not in use. Keep away from children. Do not contaminate water supplies. Avoid contact with unfinished wood products, painted surfaces or concrete as this product will cause staining. Store or ship un-diluted product in polypropylene or fiberglass containers.

## Conditions Of Sale

Seller warrants that products will be labeled as required under state and federal law and that they conform to the label description. Any non-conformance must be reported in writing to Seller within thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery.

THE SELLER'S LIABILITY ON THIS WARRANTY IS LIMITED IN AMOUNT TO THE PURCHASE PRICE ON THE PRODUCT. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THIS STATEMENT.
